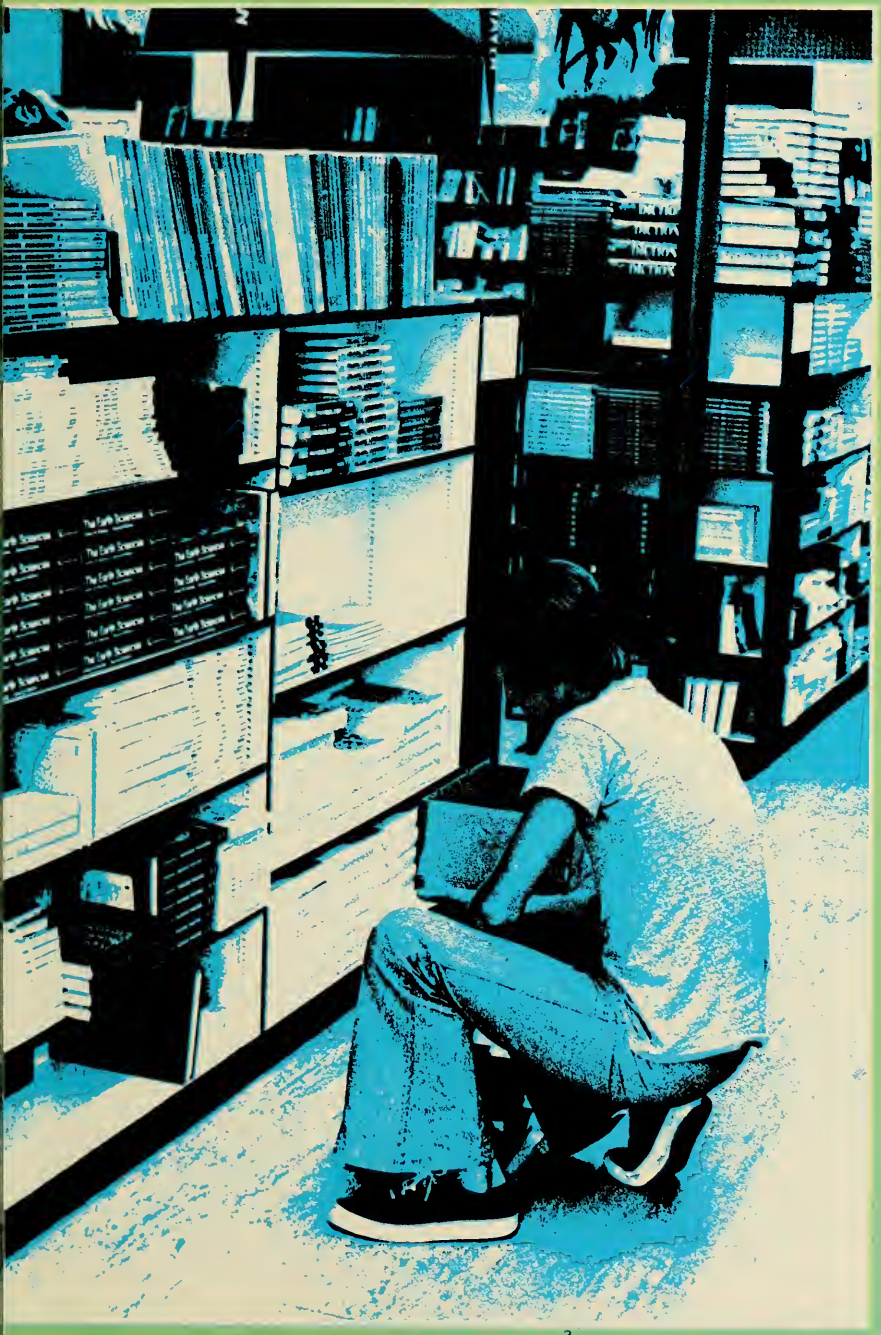
Lecture: Mr. P. Meek of Sikoresky Aircraft.



Here is my song for the asking
Ask me and I will play
So sweetly, I'll make you smile.

This is my tune for the taking
Take it, don't turn away
I've been waiting all my life.

Ron

John Sader, John Ryan, Chris Plummer, Ellen Glosser.

Thinking it over, I've been sad
Thinking it over, I'd be more than glad
To change my ways for the asking
Ask me and I will play
All the love that I hold inside.

ALL CLASS PICNIC — To say the least, our Picnic didn't set the people dancing or the world on fire. If you remember, it was on a Friday during classes and on The North Campus, the perfect place for a picnic . . . HA!

Claudia Stephens and "Freak"

oh my love for the first time in my life
my mind is wide open
oh my lover for the first time in my life
my mind can feel
i feel sorrow oh i feel grief
everything is clear in my heart
i feel life oh i feel love
everything is clear in our world

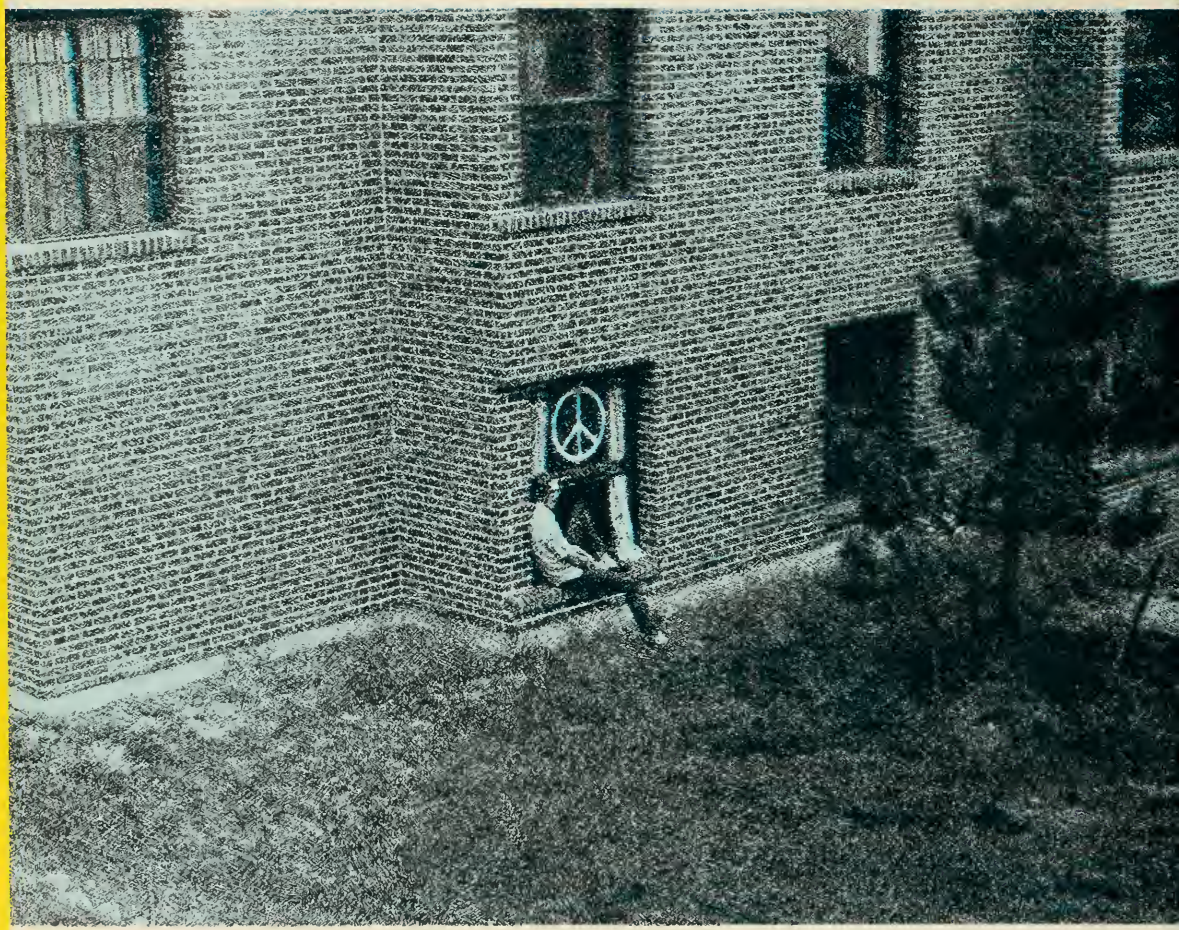
Words are flowing out like endless rain into a paper cup,
they slither wildly as they slip away across the universe.

Pools of sorrow, waves of joy are drifting through my open mind,
possessing and caressing me ...

Images of broken light which dance before me like a million eyes
They call me on and on across the universe .

Thoughts meander like restless wind in a letter box,
they tumble blindly as they make their way across the universe...

James Rothgeb



ALL CLASS PICNIC (cont): If you weren't hungry, didn't want to listen to the band, or if you forgot your Frisby, there was nothing to offer the old or new students. Although the brothers of TKE were able to get a keg of illegal beer, there it was too late to save the already dead Picnic. Too bad fun seeker!!

V-I-C-T-O-R-Y — Victory, Victory, that's our cry!

The Baseball Team started the day with a 2-1 victory over arch-rival Quinnipiac College. On the ninth-inning, junior shortstop Mark Kilmurray scored the winning home run. In the afternoon, Charger's Soccer Team posted its fourth straight shut out behind Co-Captain and Goalie Joseph DiCostanzo with a 5-0 win over C. W. Post. Sophomore Neville Brown paced the attack with 2 goals followed by Kelvin Hazzard, Ruben Salas, and Ike Licberman with single tallies.

When I was young and they packed me off to school
And they taught me how not to play the game
I didn't mind if they groomed me for success
Or if they said that I was just a fool
So I left there in the morning with their God tucked underneath my arm
Their half-assed smiles and the Book of Rules

The major objective of the University of New Haven's English Club is to promote a sincere interest in literature among the students and to create a desire for a better understanding of all its forms. We intend to provide a congenial atmosphere for the discussion of literature, and to sponsor lectures, readings and other related activities. One of our major goals each semester is to publish a magazine which represents the creative writings of the student body. Through the merits of this club we hope to enhance the image of the university and bring credit to its student body.

The Student Section of A. S. M. E. is primarily concerned with the improvement of the field of mechanical engineering on a student basis with an emphasis on ecological needs. It also introduced the members of the A. S. M. E. to the people currently involved in the field today. The Society's functions promote a closer relationship between the students and practicing engineers for the benefit of both.

Easter Seal Drive

The Annual Easter Seal Campus Queen is not just another ordinary queen. After winning the Contest, our Queen represents the school in a tri-school contest against Southern Connecticut State College and Quinnipiac College. Groups from each school raises money for Easter Seals in the name of their Queen. The Queen with the most money donated in her name is named Area Easter Seal Queen.

Alpha Phi Omega Fraternity does this on our campus. They first held nominations, then election of the Queen. This year, APO had a benefit mixer, Benefit Hockey Game, and a few other events planned in the near future to raise money for Easter Seals. APO also has a Christmas Party for the children at the Rehabilitation Center.

Some of the activities the Queen will participate in are the Easter Seal Kick-Off Dinner, the Benefit Movie for Easter Seals, and the Queen will also be at The East Rock Flower Show. There will be numerous other events the Queen will participate in, representing her duties during her reign.

A special "Thank You" goes to our Easter Seal Chairman, Jerry Petrecca of Alpha Phi Omega Fraternity, Harry Ryder, President of Alpha Phi Omega Fraternity and West Haven Easter Seal Chairman, and Richard Liebler, who planned the Benefit Hockey Game held on February 22. They have contributed their time and effort for a successful Easter Seal Campaign. And "Good Luck" to our Queen, Jo Ellen Anyzeski.

The Foundling Theatre Group

Arthur "Malcolm Scrawdyke" Caisse.

Nestled in between the comic strips and the English books adding significantly to the cultural development of the University of New Haven, are the students in The Foundling Theatre Group, whose purpose is to produce, dramatic works of art ranging on the continium from traditional dramatizing to experiemental pieces.

Through the professional assistance of Christopher Ostegren, this small group has been extremely effective in producing for its auidence some of Broadway's finest plays.

The Fall production of "Little Malcolm and His Struggle Against the Eunuchs" gave an insight into man's struggle with his environment and what he has created.

In the Spring, the tide turned to "Apple Pie" and the audience was made aware of the irony existing in America today.

While the comic strips are more frequent and the English books less remembered, the Foundling Theatre Group of University of New Haven has left an indellible effect on the minds and ideals of the student body and community at large.

Soccer

Yearbooks tell us of the Superstar, the Home Run Hitters, the High Goal Scorers, the Graduating Seniors. Little is ever said about the unsung hero, those underrated stalwarts, who were spark plugs of the universal motor which can and did lead a Soccer Team to headlines.

This season's Team highlighted a defensive style of attack which was responsible for the 7 shutouts during the regular season. Co-Captain Rheinhard Steinsdorfer guided the Chargers with his intelligent approach along with a superior talent. And perform he did — both offensively as penalty kicker and defensively as "The Sweeper". He rarely excited the average fan with spectacular displays of dribbling; instead he worked neat and single passed between John Kowalski, Ruben Salas, and Tom Kowalski, and provided much experience and confidence to Goaltender Joe DiCostanzo. Then there was Kelvin Hazzard, the boy from Trinidad, the fan's favorite. He possessed a smooth, quick style and worked adroitly with teammates Neville Brown and John Kydes. This trio, along with Salas, rounded out the offensive punches with expert ball control and powerful shooting.

Coach Joe Machnik's experience as a national contender in collegiate soccer rounded out this team's success. Also, much must be accredited to Armando Touron, Ike Lieberman, and Ray Conolly, who performed steadily and contributed their excellent talents to a most successful season.

Club Football

The UNH Club Football Team ended its season last year with a 3-5 record, closing out its most successful season ever. UNH competed in the Metropolitan Division of the Eastern Collegiate Club Football Conference, the first conference for club football teams in the country. By playing as a member of the E.C.C.F.C., UNH played the best football teams who compete on the "club" level.

UNH opened its season against a perennial club football power in the University of Hartford on a cold, windy night at Dillon Stadium. In a rugged defensive battle the Chargers lost 22-6 to the Hawks, their only score coming on an electrifying 85 yard touchdown kickoff return by Co-Captain Cliff Bush.

During the second game of the season, the Football Chargers of Head Coach Joe McHugh displayed some offensive punch to go along with its stingy defensive. UNH busted loose with 3 touchdowns in the last half to win 18-0 over a stubborn South Central team.

Homecoming proved to be an extremely pleasing event for UNH as it returned home to the friendly confines of Quigley Stadium. Six different Chargers pushed the ball over the goal-line as UNH exploded for 48 points while the defense recorded its second straight shutout and scored 2 touchdowns on interception returns by Tom Alexander and Rich Doran as they stunned Lowell Tech.

At their fourth game, on the road against powerful Marist College, the Chargers played their best defensive game of the year. UNH held the Vikings to 13 points but was unable to score although the offens moved the ball well against a highly touted defense.

The defense found out why Westchester Community College was ranked as the best club team in the nation when they were ravaged for 42 points by the Viking's explosive offense. Westchester's defense proved just as tough as they only allowed UNH to cross mid-field twice during the game without UNH scoring.

Iona College was the Number 1 club football team in the nation before they met New Haven, but the contest between the two teams ended UNH had tumbled the Gaels from the top-spot even though they lost 40-18. Down 27-0 at the half, UNH unlashed a savage offensive assault against Iona and scored 3 times, once on a run by Paul Feeley, and twice on bombs from Ray DellaMura to Ben Graves. The large crowd which saw the game left knowing they had seen two of the best "club" football teams in the nation.

Fairfield University fell 16-6 to the Chargers as once again the UNH defense proved how tough it could be. Allowing the Stags to score on a blocked punt, the Chargers hung on stubbornly to repulse two last ditch Fairfield drives into their territory.

Norwalk ended UNH's season by drubbing the Chargers 35-2 in New Haven's last game at Quigley Stadium. UNH scored first on a safety by Ron Sambrook, but could not maintain its momentum and eventually collapsed during the last half of the game.

Although New Haven did not post a winning record last year, it marked an epoch-making season due to the competitive level on which it played as a result of being in the E.C.C.F.C. Nine of the starters on last season's squad were freshmen who will return to bolster the UNH Team for the next several seasons. Steve DiMugno was selected as a First Team All-Conference Defensive Back while Paul DeRosa received honorable mention as a Guard for the All-Conference Offensive Team. With both of these top-flight players returning with the rest of the rest of the young highly promising veterans from last year, Head Coach Joe McHugh definitely has the material to be THE Team in the E.C.C.F.C. next season.

The UNH Basketball Team completed a winning season once again this year. The Chargers, who were off to a 1 in 5 start, fought back to win 12 of the next 19 games. The highlight of the season was the capturing of the Charger Invitational Tournament. Pete Perhach led New Haven in the Tourney and was not only named to the All Tourney Team, but also the Most Valuable Player of the Tournament. For his fine play during the season, Perhach was four times named to the Weekly E.C.A.C. Division III All East Basketball Squad.

After a heartbreaking overtime loss to Rhode Island College and a win over neighboring Southern Connecticut, the Chargers departed for Canada. They won the first 3 games of the trip, taking the measure of Loyola of Montreal, Ottawa, and St. Lawrence. In these games Co-Captain Jim Stonick showed his cool as a floor general, often getting up hot-handed Bob Foglio or Nick Crismale.

In the next 2 games, New Haven ran into two small college powerhouses in Brockport State and St. John Fisher, and were defeated. After coming home, the Chargers upset a highly talented Jersey City quintet, which boasted an 18-1 record. Co-Captain Tom Fortune and Bob Foglio paved the way for the Charger win. New Haven then lost to Quinnipiac. After being 12 points ahead at half time, New Haven faltered and lost by 4 points. The Chargers then went up against a highly-favored Central Connecticut quintet. Led by Bill Kirkpatrick's and Pete Perhach's strong rebounding and stingy defense, New Haven took the measure of Central. To close out the season, New Haven took 2 out of 5 beating Nichols and Southeastern Mass., while losing to Merrimack, and Marist, and Babson, finishing the season 13-12.

Next season looks like a promising one for New Haven. The Chargers will undoubtedly miss the services of Co-Captains Jim Stonick and Tom Fortune, also Pete Perhach, and Nick Crismale who will leave via graduation. Leading the returns will be Bill Kirkpatrick, Bob Foglio, Tony Simonelli, all juniors, and freshman Vic Kirilichin, who gained a lot of varsity experience.

With this core of solid Basketball players, the UNH Chargers will have the foundation they need to have another winning season.

Co-Captain

At 10:30 p.m. on Wednesday, March 1, 1972, the UNH Hockey Team walked into their dressing room after just beating Babson 11-6 to bring the season to a close. In that dressing room many thoughts passed through the players' minds. Players exchanged thoughts of the season, perhaps the most important thought of all was their record. The Charger Sectet had boasted a 20-9-0 record, their best in over 8 years. Some of the players began talking about next season and what to expect. For one of the players there was definitely no next season. For senior Forward and Captain Jeff Andrews, it was his last season, and after that Babson game, Jeff pulled off his Charger jersey for the last time, bringing to an end 4 active and successful years with the Charger Sextet.

There was a big difference in this year's squad in more than one way. For the past several years teams would just push the Chargers all over the rink. But not this season, for the Chargers had finally built themselves into a winning team. Members of the team remembered when they only drew 5 spectators for last year's opening game, but they will now remember the 400-plus fans they drew for a preseason game, and the crowd of nearly 1,000 they drew for the Easter Seals Benefit Game. They remember being almost humiliated by other teams and fans from other schools. Not this year, for the Chargers were respected by the other teams and fans.

Yes, the 1971-1972 season was a season of many highlights. Some of these highlights included:

5-4 and 6-5 wins of U Conn and Holy Cross, respectively,

The 23-1 laughter over Queens College.

The physical beating given to a number of schools who had before taken our team lightly.

The Championship in the South Mountain Arena (New Jersey) Tournament, and Runner-Up in the Nathaniel Hawthorne (New Hampshire) Invitational Tournament.

But none of these could be accomplished if it wasn't for the full effort given by the Team. Our men had finally brought U.N.H. into the hockey limelight.

Next year's squad, at this time, looks very promising. The Club should be much more improved over this year's squad, which was excellent. For next year, the Chargers have something to work for, the E.C.A.C. Hockey Playoffs, something which was never heard of on the UNH campus these past years. With such players as high-scoring Forward Jack Nick and the excellent Goaltending of Buddy Heany returning, those Playoffs could just be knocking on the Chargers' front door.

Kevin Sheehan shows excellent form in pitching.

The Baseball program at the Univ. of New Haven is well developed and comprehensive, but above all, it is highly successful. Head Coach Frank Vieira on the eve of his eleventh season with New Haven is the man most responsible for the remarkable success of Charger Baseball teams. His won-loss record over the years presently stands at 208-43. Together with his assistant coach Joe Tonelli, Vieira has establish New Haven as an Eastern Baseball power.

Yearly New Haven plays some sixty games, which include Fall and Spring schedules and a ten day trip to Miami for Spring Workout. With the recent switch from the National Ass. of Intercollegiate Athletics (N.A.I.A.) to the prestigious N.C.A.A. competition has grown increasingly stronger. The New Haven schedule includes the likes of N.C.A.A. strongman St. Johns, Central and Southern Connecticut, Univ. of Bridgeport, Fairfield Univ. as well as meeting Yale in the annual New Haven City Series, to name a few.

The Chargers typically posted a 16-6 record during the Fall of '71. However, even more essential, Coach Vieira tested the talents of many young ballplayers in anticipation of the all-important Spring season.

The Varsity Baseball Team opens the 1972 season on April 5 against Adelphi, however, not without some question marks. The two mainstays of the mound staff, Richard Anderson and Stan Thomas, are gone. Both hurlers were drafted by professional teams and denied themselves a year of college eligibility by signing contracts, Anderson going to the World Champion Pittsburg Pirates and Thomas with the Washington Senators now the Texas Rangers of the American Baseball League.

Senior All-American Scott Rahl and Captain Jim Pascarella form the nucleus of this years Charger team. The pitching staff, headed by veteran Kevin Sheehan and senior Jim Galbraith, is relatively young and inexperienced. Mark Kilmurray, who was an honorable mention All-American as a freshman, returns in '72 as a junior. But basically, the Chargers are a young team.

The Chargers are coming off a 30-6 season which saw them travel as far as Pennsylvania in the N.A.I.A. Area 8 Playoffs. Anderson and Thomas totaled 25 of those wins. Obviously, the key to the coming season is pitching.

Despite the shortage of seasoned veteran ballplayers, one can't help but envision another fine season at New Haven. When it comes to baseball, the "V" in Vieira stands for victory.

John Basso

Lenny Paglialunga aggressively awaits Quinnipiac's pitch.

John "Doc" Basso safe at 3rd.

WORKING CLASS HERO

John Lennon

As soon as you're born they make you feel small
By giving you no time instead of it all
Till the pain is so big you feel nothing at all
A Working Class Hero is something to be
A Working Class Hero is something to be
They hurt you at home and they hit you at school
They hate you if you're clever and they despise a fool
Till you're so fucking crazy you can't follow their rules
A Working Class Hero is something to be
A Working Class Hero is something to be
When they've tortured and scared you for 20 odd years
Then they expect you to pick a career
When you can't really function you're so full of fear
A Working Class Hero is something to be
A Working Class Hero is something to be
Keep you doped with religion and sex and TV
And you think you're so clever and classless and free
But you're still fucking peasants as far as I can see
A Working Class Hero is something to be
A Working Class Hero is something to be
There's room at the top they are telling you still
But first you must learn how to smile as you kill
If you want to be like the folks on the hill
A Working Class Hero is something to be

Yes, a Working Class Hero is something to be
If you want to be a Hero well just follow me
If you want to be a Hero well just follow me
